

## Crawley Horticultural Society.

### Bonsai Group.

We are a small friendly group of like minded enthusiasts who meet on the 3<sup>rd</sup> Thursday of each month at the society's hall in West Green, Crawley. 7.30 - 10.00pm

We usually have workshops throughout the year, where members bring in trees to work on, get advice and share their ideas.

Occasionally we have a guest speaker or a demonstrator who will improve our understanding or encourage us to try new aspects of what is a very rewarding hobby.

There are pots and sundries for sale at very reasonable prices. As well as our regular raffle of donated prizes.

By becoming members of the CHS you are able to attend any of the groups that exist, as well as getting all of your gardening sundries at very competitive prices.

For further information please contact:-
